Hi Nhien,

Lucy is currently traveling and I have not had a chance to get in touch with her to confirm - can I let you know by the end of the day? I know she will have a break around lunchtime.

Thanks!
Melanie

Hi Melanie, we're wrapping up the script this morning. Do you know if Lucy would like to speak at the event?

Hello Lucy, on behalf of Carol and the CCA team, I would like to thank you again for hosting our Executive Committee meeting recently. You went above and beyond for us and we are very grateful for your generosity! The Skyspace lounge and exhibit are amazing. It was the first time visiting the new space for many members so we were delighted they had a chance to experience the slide and go through the interactive gallery.

On another note, I wanted to share the timeline for Thursday's BBQ. We have you slated to speak after Robert Cushman. I believe the BID team has been in touch with you about the remarks, but if you have any questions please don't hesitate to contact me, Mike or Henna. Thank you for supporting the BID's BBQ and see you on Thursday!

Best wishes,
Nhien
